4. Employees shall be subjected to monthly random drug screening

IV. TERMS AND CONDITIONS

- A. All diagnostic procedures of GSIS branch employees shall be performed on-site and/or at the clinic of the Service Provider.
- B. The drug screening, on the other hand, shall be held separately from the AMPE. The employees shall be randomly selected and shall proceed to the laboratory facility of the Service Provider. The Service Provider shall cover the cost of confirmatory drug tests and other related and/or related expenses for those tested to be positive.
- C. The drug screening of GSIS branch employees shall be conducted throughout the remaining year. The Branch office personnel may be required to undergo the said test more than once if randomly selected within the year. The Branch Office Head shall determine the number of employees (**minimum of 20% of the total population**) who will be included in the random selection depending on the number of employee per Branch Office.
- D. The accredited diagnostic and multi-specialty clinics must have the following attributes:
 1. Duly accredited or licensed by the Department of Health (DOH);
 2. Fully-functional equipment (i.e. X-ray and ECG machine, blood chemistry analyzer);
 3. Clean and well maintained facilities (air-conditioned, preferably with two separate comfort rooms for male and female patients);
 4. Courteous and well trained staff but not limited to: one (1) physician, receptionist, radio-technologist, medical technologist, optometrist, and two (2) nurses; and
 5. Available and open to employees from 7:30AM up to 7:30PM (Monday to Sunday).
- E. The AMPE and the drug screening shall have separate schedules or be arranged by the Branch Head with concurrence of the concerned Vice President and/or Senior Vice President. The Branch Head shall endorse to the Service Provider coordinator the list of employees who shall undergo the AMPE and those randomly selected for drug screening prior to the scheduled date.
- F. A **consolidated report (Annex A)** detailing the physician's findings, patient's history and laboratory results must be submitted by the Service Provider in soft and printed copy directly to the Branch Head. The BO Head shall forward the consolidated report to the Medical and Wellness Services Department (MWSD). All medical records, laboratory results and other important information obtained by the Service Provider shall be treated with confidentiality.
- G. The Service Provider shall not use or disclose such confidential information, or any part thereof, in any manner other than is necessary to perform its services under this Agreement or as required by law. Relative thereto, the GSIS agrees to support and coordinate with the Service Provider, its directors and/or officers, employees, or duly authorized representatives, in their defense against any action, sum of money, liability, damages, and claims which any third party may bring against the Service Provider as a

direct or indirect result of the GSIS having received and/or used the confidential information.

- H. The Service Provider shall secure the written waiver of rights from the employees of the right to the confidentiality of information between the physician and patient for procedures and examinations undertaken in behalf of the GSIS. The written waiver shall include the authorization for the Service Provider to submit to the GSIS all documents for incorporation in the health profile of the employees.
- I. All documents, records, reports, receipts and information about the AMPE/drug screening, including those recorded in database systems of the Service Provider shall be the property of the GSIS.
- J. The Service Provider is required to submit the following to the GSIS BO in accordance with the prescribed period:
 - 1. Schedule of prices per procedure/examination;
 - 2. Advance copy of the AMPE results of employees with abnormal findings within seven (7) calendar days after the scheduled date and it shall include the recommendations from the examining/evaluating physicians;
 - 3. Report of positive drug screening test two (2) days after the scheduled date;
 - 4. Advance copy of list of employees with positive confirmatory drug testing results within two (2) weeks after the screening date;
 - 5. Hard copies of the AMPE results (in duplicate forms) and the consolidated report in a sealed package within ten (10) working days after the scheduled testing;
 - 6. Written report of employees who failed to undergo and/or complete the AMPE on the third working day of the succeeding month; and
 - 7. List of employees who failed to undergo the drug screening at the end of the screening day. The Branch Head shall instruct the said employee to comply and undergo the drug screening.

V. TERMS OF PAYMENT

- A. Payment shall be based on the cost of the specific AMPE procedure/s that an employee underwent. The total amount for all the procedures/examinations per employee shall not exceed two thousand and six-hundred pesos (₱2,600.00) for the set of procedures and examinations.
- B. The Service Provider shall forward the Statement of Account (SOA) and other pertinent documents especially the **consolidated report** for the services rendered within ten (10) working days from the last scheduled testing/screening date.
- C. The GSIS Dipolog BO Head shall review and validate the above-mentioned documents within three (3) working days after the receipt of the said documents for queries and/or clarifications. In case of errors (e.g., double billing, erroneous entries, etc.) the documents shall be endorsed and returned to the Service Provider for appropriate action.
- D. The GSIS shall have a period of fifteen (15) working days to process payment that shall commence after completion of the review and validation of the following documents submitted by the Service Provider:
