 - The member-borrower is a permanent employee.

- Repayment Term:** The loan repayment shall be made over three (3) years in thirty-six (36) equal monthly installments.
- Payment Mechanism:** The monthly amortization shall be paid through payroll deduction. It is understood that the deduction shall not be stopped until the loan is fully paid. In the following instances, however, the borrower shall directly remit to the GSIS the loan instalment as they fall due:

The member-borrower whose loan is paid through payroll deduction shall observe all necessary measures to ensure the deduction as well as the proper and timely remittance of the correct monthly amortization to the GSIS by the concerned agency.

- Loan Redemption Insurance and its Collection:** A Loan Redemption Insurance (LRI) of 1.2% of the gross loan amount shall be deducted from the proceeds of the loan. If the member dies during the term of the loan and the loan is not in default, the loan shall be deemed fully paid by virtue of the LRI coverage. The LRI is automatically terminated when the active member pays the loan in full or upon expiration of the term of the loan, whichever comes first.
- Penalty for Arrearages:** An account is considered in arrears if:
 - There is payment for monthly instalment but the remittance of said payment is delayed;
 - The actual amount paid for the month is less than the amount due for the same month; or
 - There is no payment made for the month.

It shall incur a penalty at the rate of 1% per month, compounded monthly, until the arrears are paid.

- Loan Pre-Termination:** The member-borrower may pre-pay the loan anytime during its term without penalty by paying off the remaining outstanding principal and any unpaid interest up to the time of termination.
- Loan Cancellation:** The borrower shall be allowed to cancel the loan agreement within thirty (30) calendar days from the date that the loan is granted. In case of cancellation of the loan upon the behest of the borrower, the borrower shall pay in full the principal amount or the face value of the loan appearing in the contract plus a pro-rata interest for the period covering the date that the loan was granted up to the actual cancellation of the loan.

11. **Maturity of the Loan:** The loan shall mature at the end of the payment term of thirty-six (36) months or upon retirement, subject to existing policies and guidelines on Choice of Loan Amortization Schedule for Pensioners (CLASP), separation, permanent disability or death of the borrower, whichever comes first. In which case, the entire principal amount of the loan including all interest and other charges payable, shall be due and payable without need of demand or further notice.

In the event of death of the member-borrower during the term of the loan and the account is not in default, the insurance proceeds from the member's LRI benefits shall be applied as payment to the current outstanding balance of the loan.

12. **Policy on Default:** An account is considered in default when the total unpaid obligation is equivalent to more than six (6) monthly amortizations. In the event of default, the outstanding balance of the loan becomes due and demandable without need of demand. In case of failure to pay the outstanding balance declared in default, the outstanding balance shall be charged with an interest equivalent to 12% per annum compounded monthly (p.a.c.m.) and a penalty of 6% p.a.c.m. from the date of default until the date of full payment.

13. **Application of Payment:** Every payment shall be initially applied to the amount due, following this order of priority:

- a. Penalty, if any,
- b. Interest
- c. Principal

The "move-up" policy shall also be adopted wherein the payments are first applied to the earliest unpaid month until the month's full amount due has been fully collected.

14. **Authority to Apply Payment:** If this loan remains wholly or partially unpaid during its designated maturity date, the GSIS is authorized to collect, deduct or withhold from whatever benefits that may be due the borrower, his/her heirs, beneficiaries, assignees or successors-in-interest, the amount equivalent to the outstanding balance of this loan, including the interest, penalties and surcharges. Such authorization shall remain effective until full payment of the loan or any other outstanding obligation of the borrower to the GSIS. It is expressly understood that any unpaid balance or outstanding obligation of the borrower to the GSIS, by virtue of this loan and/or other obligation, shall constitute a lien over any benefits/claims that may be due the borrower. Should such benefits/claims from the GSIS be insufficient to cover the remaining balance, GSIS shall not be prevented from filing the necessary civil and administrative action(s) for recovery either against the borrower or his/her estate.

15. **CLASP:** Effective June 1, 2011, retiring GSIS members who opt for a retirement scheme with an immediate pension benefit as provided under RA 660, PD 1146 and RA 8291 may avail of the Choice of Loan Amortization Schedule for Pensioners (CLASP) where the member-retiree may choose to settle their outstanding balance of the loan in whole (100%) or a percentage thereof (75%, 50% or 25%) which shall be deducted from their retirement proceeds. For those who choose to pay a percentage of the outstanding balance of the loan (75%, 50% or 25%), the remaining unpaid balance shall be restructured as a loan with a rate of 10% per annum compounded annually, payable over a maximum period of three (3) years.

16. **Recovery of amount/s credited in the eCard:** GSIS shall have the right to recover, by any legal means, any amount in the UMID/eCard account credited thereon by the GSIS due to fraud, misrepresentation or error on account of any transaction which the member-borrower may have with the GSIS.

17. **Attorney's Fees:** Should the GSIS be compelled to refer the Loan or any portion thereof to an Attorney-at-Law for collection or to enforce any right hereunder against the Member-Borrower or avail of any remedy under the law or this Agreement, the Member-Borrower shall pay an amount equivalent to twenty five (25%) per cent of all amounts outstanding and unpaid as and for attorney's fees and litigation expenses.

18. **Venue:** Any legal action, suit, or proceeding arising out or relating to this Agreement, shall be brought or instituted in the appropriate courts in the City of Pasay or such other venue at the exclusive option of GSIS. In the event the borrower initiates any legal action arising from or under this agreement, for whatever causes, the member-borrower agrees to initiate such action only in the City where the principal office of GSIS is located.

19. **Transfer/Change of Office:** The borrower shall immediately notify the GSIS in case the borrower transfers to any government office/agency. This application shall be a sufficient authority for GSIS to effect collection through salary deduction from the new office/agency.

20. **Notices:** All notices required under this Agreement or for its enforcement shall be sent to the Office Address indicated in the Personal Data portion of this loan application. The notices sent to the said office address shall be valid and shall serve as sufficient notice to the Member-Borrower for all legal intents and purposes.
