- 6.4 It shall be the sole responsibility of the Bidder to determine and to satisfy itself by such means as it considers necessary or desirable as to all matters pertaining to the contract to be bid, including: (a) the location and the nature of this Project; (b) climatic conditions; (c) transportation facilities; and (d) other factors that may affect the cost, duration, and execution or implementation of this Project.
- 6.5 The Procuring Entity shall not assume any responsibility regarding erroneous interpretations or conclusions by the prospective or eligible bidder out of the data furnished by the procuring entity.

- 8.1 Unless otherwise specified in the **BDS**, the Bidder may subcontract portions of the Goods to an extent as may be approved by the Procuring Entity and stated in the **BDS**. However, subcontracting of any portion shall not relieve the Bidder from any liability or obligation that may arise from the contract for this Project.
- 8.2 Subcontractors must comply with the eligibility criteria and the documentary requirements specified in the **BDS**. In the event that any subcontractor is found by the Procuring Entity to be ineligible, the subcontracting of such portion of the Goods shall be disallowed.
- 8.3 The Bidder may identify the subcontractor to whom a portion of the Goods will be subcontracted at any stage of the bidding process or during contract implementation. If the Bidder opts to disclose the name of the subcontractor during bid submission, the Bidder shall include the required documents as part of the technical component of its bid.

B. Contents of Bidding Documents

9. Pre-Bid Conference

- 9.1 (a) If so specified in the **BDS**, a pre-bid conference shall be held at the venue and on the date indicated therein, to clarify and address the Bidders' questions on the technical and financial components of this Project.
- (b) *The pre-bid conference shall be held at least twelve (12) calendar days before the deadline for the submission and receipt of bids. If the Procuring Entity determines that, by reason of the method, nature, or complexity of the contract to be bid, or when international participation will be more advantageous to the GOP, a longer period for the preparation of bids is necessary, the pre-bid conference shall be held at least thirty (30) calendar days before the deadline for the submission and receipt of bids, as specified in the **BDS**.*
- 9.2 Bidders are encouraged to attend the pre-bid conference to ensure that they fully understand the Procuring Entity's requirements. - 9.3 Any statement made at the pre-bid conference shall not modify the terms of the Bidding Documents unless such statement is specifically identified in writing as an amendment thereto and issued as a Supplemental/Bid Bulletin.

Any modification to the Bidding Documents shall be identified as an amendment.
- 10.3 Any Supplemental/Bid Bulletin issued by the BAC shall also be posted on the Philippine Government Electronic Procurement System (PhilGEPS) and the website of the Procuring Entity concerned, if available. It shall be the responsibility of all Bidders who secure the Bidding Documents to inquire and secure Supplemental/Bid Bulletins that may be issued by the BAC. However, Bidders who have submitted bids before the issuance of the Supplemental/Bid Bulletin must be informed and allowed to modify or withdraw their bids in accordance with **ITB** Clause 23.

C. Preparation of Bids

11. Language of Bid

The bid, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Procuring Entity, shall be written in English. 14. Alternative Bids

Alternative Bids shall be rejected. For this purpose, alternative bid is an offer made by a Bidder in addition or as a substitute to its original bid which may be included as part of its original bid or submitted separately therewith for purposes of bidding. A bid with options is considered an alternative bid regardless of whether said bid proposal is contained in a single envelope or submitted in two (2) or more separate bid envelopes.

15. Bid Prices

- 15.1 The Bidder shall complete the appropriate Price Schedules included herein, stating the unit prices, total price per item, the total amount and the expected countries of origin of the Goods to be supplied under this Project.
- 15.2 The Bidder shall fill in rates and prices for all items of the Goods described in the Bill of Quantities. Bids not addressing or providing all of the required items in the Bidding Documents including, where applicable, Bill of Quantities, shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a "0" (zero) for the said item would mean that it is being offered for free to the Government.

- 15.3 The terms Ex Works (EXW), Cost, Insurance and Freight (CIF), Cost and Insurance Paid to (CIP), Delivered Duty Paid (DDP), and other trade terms used to describe the obligations of the parties, shall be governed by the rules prescribed in the current edition of the International Commercial Terms (INCOTERMS) published by the International Chamber of Commerce, Paris.
- 15.4 Prices indicated on the Price Schedule shall be entered separately in the following manner:
- (a) For Goods offered from within the Procuring Entity's country:

- (i.1) on the components and raw material used in the manufacture or assembly of Goods quoted ex works or ex factory; or

- (ii) The price for inland transportation, insurance, and other local costs incidental to delivery of the Goods to their final destination.
- (iii) The price of other (incidental) services, if any, listed in the **BDS**.
- (b) For Goods offered from abroad:
- (i) Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted DDP with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.
- (ii) The price of other (incidental) services, if any, listed in the **BDS**.
- 15.5 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the contract and not subject to variation or price escalation on any account. A bid submitted with an adjustable price quotation shall be treated as non-responsive and shall be rejected, pursuant to **ITB** Clause 24.

All bid prices shall be considered as fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances. Extraordinary circumstances refer to events that may be determined by the National Economic and Development Authority in accordance with the Civil Code of the Philippines, and upon the recommendation of the Procuring Entity. Nevertheless, in cases where the cost of the awarded contract is affected by any applicable new laws, ordinances, regulations, or other acts of the GOP, promulgated after the date of bid opening, a contract price adjustment shall be made or appropriate relief shall be applied on a no loss-no gain basis.

16. Bid Currencies

16.1 Prices shall be quoted in the following currencies:

- (a) For Goods that the Bidder will supply from within the Philippines, the prices shall be quoted in Philippine Peso.
- (b) For Goods that the Bidder will supply from outside the Philippines, the prices may be quoted in the currency(ies) stated in the **BDS**. However, for purposes of bid evaluation, bids denominated in foreign currencies shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

16.2 If so allowed in accordance with **ITB** Clause 0, the Procuring Entity for purposes of bid evaluation and comparing the bid prices will convert the amounts in various currencies in which the bid price is expressed to Philippine Pesos at the foregoing exchange rates.

16.3 Unless otherwise specified in the **BDS**, payment of the contract price shall be made in Philippine Pesos.

17. Bid Validity

17.1 Bids shall remain valid for the period specified in the **BDS** which shall not exceed one hundred twenty (120) calendar days from the date of the opening of bids.

17.2 In exceptional circumstances, prior to the expiration of the Bid validity period, the Procuring Entity may request Bidders to extend the period of validity of their bids. The request and the responses shall be made in writing. The bid security described in **ITB** Clause 18 should also be extended corresponding to the extension of the bid validity period at the least. A Bidder may refuse the request without forfeiting its bid security, but his bid shall no longer be considered for further evaluation and award. A Bidder granting the request shall not be required or permitted to modify its bid.

18. Bid Security

18.1 The bid security in the amount stated in the **BDS** shall be equal to the percentage of the ABC in accordance with the following schedule:

Form of Bid Security	Amount of Bid Security (Equal to Percentage of the ABC)
(a) Cash or cashier's/manager's check issued by a Universal or Commercial Bank.	Two percent (2%)
(b) Bank draft/guarantee or irrevocable letter of credit issued by a Universal or Commercial Bank: Provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank.	
(c) Surety bond callable upon demand issued by a surety or insurance company duly certified by the Insurance Commission as authorized to issue such security.	Five percent (5%)
(d) Bid Securing Declaration Form	

For biddings conducted by LGUs, the Bidder may also submit bid securities in the form of cashier's/manager's check, bank draft/guarantee, or irrevocable letter of credit from other banks certified by the BSP as authorized to issue such financial statement.

18.2 The bid security should be valid for the period specified in the **BDS**. Any bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

18.3 No bid securities shall be returned to bidders after the opening of bids and before contract signing, except to those that failed or declared as post-disqualified, upon submission of a written waiver of their right to file a motion for reconsideration and/or protest. Without prejudice on its forfeiture, bid securities shall be returned only after the bidder with the Lowest Calculated and Responsive Bid has signed the contract and furnished the performance security, but in no case later than the expiration of the bid security validity period indicated in **ITB** Clause 0.

22. Late Bids

23. Modification and Withdrawal of Bids

23.1 The Bidder may modify its bid after it has been submitted; provided that the modification is received by the Procuring Entity prior to the deadline prescribed for submission and receipt of bids. The Bidder shall not be allowed to retrieve its original bid, but shall be allowed to submit another bid equally sealed, properly identified, linked to its original bid marked as “TECHNICAL MODIFICATION” or “FINANCIAL MODIFICATION” and stamped “received” by the BAC. Bid modifications received after the applicable deadline shall not be considered and shall be returned to the Bidder unopened.

23.3 Bids requested to be withdrawn in accordance with **ITB** Clause 0 shall be returned unopened to the Bidders. A Bidder may also express its intention not to participate in the bidding through a letter which should reach and be stamped by the BAC before the deadline for submission and receipt of bids. A Bidder that withdraws its bid shall not be permitted to submit another bid, directly or indirectly, for the same contract.

- 23.4 No bid may be modified after the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Financial Bid Form. Withdrawal of a bid during this interval shall result in the forfeiture of the Bidder's bid security, pursuant to **ITB** Clause 0, and the imposition of administrative, civil and criminal sanctions as prescribed by RA 9184 and its IRR.

24. Opening and Preliminary Examination of Bids

- 24.1 The BAC shall open the first bid envelopes of Bidders in public as specified in the **BDS** to determine each Bidder's compliance with the documents prescribed in **ITB** Clause 12. For this purpose, the BAC shall check the submitted documents of each bidder against a checklist of required documents to ascertain if they are all present, using a non-discretionary "pass/fail" criterion. If a bidder submits the required document, it shall be rated "passed" for that particular requirement. In this regard, bids that fail to include any requirement or are incomplete or patently insufficient shall be considered as "failed". Otherwise, the BAC shall rate the said first bid envelope as "passed".
- 24.2 Unless otherwise specified in the **BDS**, immediately after determining compliance with the requirements in the first envelope, the BAC shall forthwith open the second bid envelope of each remaining eligible bidder whose first bid envelope was rated "passed". The second envelope of each complying bidder shall be opened within the same day. In case one or more of the requirements in the second envelope of a particular bid is missing, incomplete or patently insufficient, and/or if the submitted total bid price exceeds the ABC unless otherwise provided in **ITB** Clause 0, the BAC shall rate the bid concerned as "failed". Only bids that are determined to contain all the bid requirements for both components shall be rated "passed" and shall immediately be considered for evaluation and comparison.
- 24.3 Letters of withdrawal shall be read out and recorded during bid opening, and the envelope containing the corresponding withdrawn bid shall be returned to the Bidder unopened. If the withdrawing Bidder's representative is in attendance, the original bid and all copies thereof shall be returned to the representative during the bid opening. If the representative is not in attendance, the bid shall be returned unopened by registered mail. The Bidder may withdraw its bid prior to the deadline for the submission and receipt of bids, provided that the corresponding Letter of Withdrawal contains a valid authorization requesting for such withdrawal, subject to appropriate administrative sanctions.
- 24.4 If a Bidder has previously secured a certification from the Procuring Entity to the effect that it has previously submitted the above-enumerated Class "A" Documents, the said certification may be submitted in lieu of the requirements enumerated in **ITB** Clause 12.1(a), items (i) to (v).
- 24.5 In the case of an eligible foreign Bidder as described in **ITB** Clause 5, the Class "A" Documents described in **ITB** Clause 12.1(a) may be substituted with the appropriate equivalent documents, if any, issued by the country of the foreign Bidder concerned.

- 24.6 Each partner of a joint venture agreement shall likewise submit the requirements in **ITB** Clauses 12.1(a)(i) and 12.1(a)(ii). Submission of documents required under **ITB** Clauses 12.1(a)(iii) to 12.1(a)(v) by any of the joint venture partners constitutes compliance.
- 24.7 A Bidder determined as “failed” has three (3) calendar days upon written notice or, if present at the time of bid opening, upon verbal notification, within which to file a request or motion for reconsideration with the BAC: Provided, however, that the motion for reconsideration shall not be granted if it is established that the finding of failure is due to the fault of the Bidder concerned: Provided, further, that the BAC shall decide on the request for reconsideration within seven (7) calendar days from receipt thereof. If a failed Bidder signifies his intent to file a motion for reconsideration, the BAC shall keep the bid envelopes of the said failed Bidder unopened and/or duly sealed until such time that the motion for reconsideration or protest has been resolved.
- 24.8 The Procuring Entity shall prepare the minutes of the proceedings of the bid opening that shall include, as a minimum: (a) names of Bidders, their bid price, bid security, findings of preliminary examination; and (b) attendance sheet. The BAC members shall sign the abstract of bids as read.

E. Evaluation and Comparison of Bids

25. Process to be Confidential

- 25.1 Members of the BAC, including its staff and personnel, as well as its Secretariat and TWG, are prohibited from making or accepting any kind of communication with any bidder regarding the evaluation of their bids until the issuance of the Notice of Award, unless otherwise allowed in the case of **ITB** Clause 26.
- 25.2 Any effort by a bidder to influence the Procuring Entity in the Procuring Entity's decision in respect of bid evaluation, bid comparison or contract award will result in the rejection of the Bidder's bid.

26. Clarification of Bids

To assist in the evaluation, comparison, and post-qualification of the bids, the Procuring Entity may ask in writing any Bidder for a clarification of its bid. All responses to requests for clarification shall be in writing. Any clarification submitted by a Bidder in respect to its bid and that is not in response to a request by the Procuring Entity shall not be considered.

27. Domestic Preference

- 27.1 Unless otherwise stated in the **BDS**, the Procuring Entity will grant a margin of preference for the purpose of comparison of bids in accordance with the following:

- (a) The preference shall be applied when (i) the lowest Foreign Bid is lower than the lowest bid offered by a Domestic Bidder, or (ii) the lowest bid offered by a non-Philippine national is lower than the lowest bid offered by a Domestic Entity.
 - (b) For evaluation purposes, the lowest Foreign Bid or the bid offered by a non-Philippine national shall be increased by fifteen percent (15%).
 - (c) In the event that (i) the lowest bid offered by a Domestic Entity does not exceed the lowest Foreign Bid as increased, or (ii) the lowest bid offered by a non-Philippine national as increased, then the Procuring Entity shall award the contract to the Domestic Bidder/Entity at the amount of the lowest Foreign Bid or the bid offered by a non-Philippine national, as the case may be.
 - (d) If the Domestic Entity/Bidder refuses to accept the award of contract at the amount of the Foreign Bid or bid offered by a non-Philippine national within two (2) calendar days from receipt of written advice from the BAC, the Procuring Entity shall award to the bidder offering the Foreign Bid or the non-Philippine national, as the case may be, subject to post-qualification and submission of all the documentary requirements under these Bidding Documents.
- 27.2 A Bidder may be granted preference as a Domestic Entity subject to the certification from the DTI (in case of sole proprietorships), SEC (in case of partnerships and corporations), or CDA (in case of cooperatives) that the (a) sole proprietor is a citizen of the Philippines or the partnership, corporation, cooperative, or association is duly organized under the laws of the Philippines with at least seventy five percent (75%) of its interest or outstanding capital stock belonging to citizens of the Philippines, (b) habitually established in business and habitually engaged in the manufacture or sale of the merchandise covered by his bid, and (c) the business has been in existence for at least five (5) consecutive years prior to the advertisement and/or posting of the Invitation to Bid for this Project.
- 27.3 A Bidder may be granted preference as a Domestic Bidder subject to the certification from the DTI that the Bidder is offering unmanufactured articles, materials or supplies of the growth or production of the Philippines, or manufactured articles, materials, or supplies manufactured or to be manufactured in the Philippines substantially from articles, materials, or supplies of the growth, production, or manufacture, as the case may be, of the Philippines.

28. Detailed Evaluation and Comparison of Bids

- 28.1 The Procuring Entity will undertake the detailed evaluation and comparison of bids which have passed the opening and preliminary examination of bids, pursuant to **ITB** Clause 24, in order to determine the Lowest Calculated Bid.
- 28.2 The Lowest Calculated Bid shall be determined in two steps:
- (a) The detailed evaluation of the financial component of the bids, to establish the correct calculated prices of the bids; and

- (b) The ranking of the total bid prices as so calculated from the lowest to the highest. The bid with the lowest price shall be identified as the Lowest Calculated Bid.
- 28.3 The Procuring Entity's BAC shall immediately conduct a detailed evaluation of all bids rated "passed," using non-discretionary pass/fail criteria. Unless otherwise specified in the **BDS**, the BAC shall consider the following in the evaluation of bids:
- (a) Completeness of the bid. Unless the ITB specifically allows partial bids, bids not addressing or providing all of the required items in the Schedule of Requirements including, where applicable, bill of quantities, shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a "0" (zero) for the said item would mean that it is being offered for free to the Procuring Entity; and
 - (b) Arithmetical corrections. Consider computational errors and omissions to enable proper comparison of all eligible bids. It may also consider bid modifications, if allowed in the **BDS**. Any adjustment shall be calculated in monetary terms to determine the calculated prices.
- 28.4 Based on the detailed evaluation of bids, those that comply with the above-mentioned requirements shall be ranked in the ascending order of their total calculated bid prices, as evaluated and corrected for computational errors, discounts and other modifications, to identify the Lowest Calculated Bid. Total calculated bid prices, as evaluated and corrected for computational errors, discounts and other modifications, which exceed the ABC shall not be considered, unless otherwise indicated in the **BDS**.
- 28.5 The Procuring Entity's evaluation of bids shall only be based on the bid price quoted in the Financial Bid Form.
- 28.6 Bids shall be evaluated on an equal footing to ensure fair competition. For this purpose, all bidders shall be required to include in their bids the cost of all taxes, such as, but not limited to, value added tax (VAT), income tax, local taxes, and other fiscal levies and duties which shall be itemized in the bid form and reflected in the detailed estimates. Such bids, including said taxes, shall be the basis for bid evaluation and comparison.

29. Post-Qualification

- 29.1 The Procuring Entity shall determine to its satisfaction whether the Bidder that is evaluated as having submitted the Lowest Calculated Bid (LCB) complies with and is responsive to all the requirements and conditions specified in **ITB** Clauses 5, 12, and 13.
- 29.2 Within a non-extendible period of three (3) calendar days from receipt by the bidder of the notice from the BAC that it submitted the LCB, the Bidder shall submit the following documentary requirements:

- (a) Latest income and business tax returns in the form specified in the **BDS**;
- (b) Certificate of PhilGEPS Registration; and
- (c) Other appropriate licenses and permits required by law and stated in the **BDS**.

Failure of the Bidder declared as Lowest Calculated Bid to duly submit the requirements under this Clause or a finding against the veracity of such shall be ground for forfeiture of the bid security and disqualification of the Bidder for award.

- 29.3 The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted pursuant to **ITB** Clauses 12 and 13, as well as other information as the Procuring Entity deems necessary and appropriate, using a non-discretionary "pass/fail" criterion.
- 29.4 If the BAC determines that the Bidder with the Lowest Calculated Bid passes all the criteria for post-qualification, it shall declare the said bid as the Lowest Calculated Responsive Bid, and recommend to the Head of the Procuring Entity the award of contract to the said Bidder at its submitted price or its calculated bid price, whichever is lower.
- 29.5 A negative determination shall result in rejection of the Bidder's Bid, in which event the Procuring Entity shall proceed to the next Lowest Calculated Bid to make a similar determination of that Bidder's capabilities to perform satisfactorily. If the second Bidder, however, fails the post qualification, the procedure for post qualification shall be repeated for the Bidder with the next Lowest Calculated Bid, and so on until the Lowest Calculated Responsive Bid is determined for contract award.
- 29.6 Within a period not exceeding seven (7) calendar days from the date of receipt of the recommendation of the BAC, the Head of the Procuring Entity shall approve or disapprove the said recommendation. In the case of GOCCs and GFIs, the period provided herein shall be fifteen (15) calendar days.

30. Reservation Clause

- 30.1 Notwithstanding the eligibility or post-qualification of a Bidder, the Procuring Entity concerned reserves the right to review its qualifications at any stage of the procurement process if it has reasonable grounds to believe that a misrepresentation has been made by the said Bidder, or that there has been a change in the Bidder's capability to undertake the project from the time it submitted its eligibility requirements. Should such review uncover any misrepresentation made in the eligibility and bidding requirements, statements or documents, or any changes in the situation of the Bidder which will affect its capability to undertake the project so that it fails the preset eligibility or bid evaluation criteria, the Procuring Entity shall consider the said Bidder as ineligible and shall disqualify it from submitting a bid or from obtaining an award or contract.

- 30.2 Based on the following grounds, the Procuring Entity reserves the right to reject any and all bids, declare a failure of bidding at any time prior to the contract award, or not to award the contract, without thereby incurring any liability, and make no assurance that a contract shall be entered into as a result of the bidding:
- (a) If there is *prima facie* evidence of collusion between appropriate public officers or employees of the Procuring Entity, or between the BAC and any of the Bidders, or if the collusion is between or among the bidders themselves, or between a Bidder and a third party, including any act which restricts, suppresses or nullifies or tends to restrict, suppress or nullify competition;
 - (b) If the Procuring Entity's BAC is found to have failed in following the prescribed bidding procedures; or
 - (c) For any justifiable and reasonable ground where the award of the contract will not redound to the benefit of the GOP as follows:
 - (i) If the physical and economic conditions have significantly changed so as to render the project no longer economically, financially or technically feasible as determined by the head of the procuring entity;
 - (ii) If the project is no longer necessary as determined by the head of the procuring entity; and
 - (iii) If the source of funds for the project has been withheld or reduced through no fault of the Procuring Entity.
- 30.3 In addition, the Procuring Entity may likewise declare a failure of bidding when:
- (a) No bids are received;
 - (b) All prospective Bidders are declared ineligible;
 - (c) All bids fail to comply with all the bid requirements or fail post-qualification; or
 - (d) The Bidder with the Lowest Calculated Responsive Bid (LCRB) refuses, without justifiable cause to accept the award of contract, and no award is made.

F. Award of Contract

31. Contract Award

- 31.1 Subject to **ITB** Clause 29, the Procuring Entity shall award the contract to the Bidder whose bid has been determined to be the LCRB.
- 31.2 Prior to the expiration of the period of bid validity, the Procuring Entity shall notify the successful Bidder in writing that its bid has been accepted, through a Notice of Award received personally or sent by registered mail or electronically, receipt of which must be confirmed in writing within two (2) days by the Bidder with the LCRB and submitted personally or sent by registered mail or electronically to the Procuring Entity.
- 31.3 Notwithstanding the issuance of the Notice of Award, award of contract shall be subject to the following conditions:
 - (a) Submission of the valid JVA, if applicable, within ten (10) calendar days from receipt by the Bidder of the notice from the BAC that the Bidder has the LCRB;
 - (b) Posting of the performance security in accordance with **ITB** Clause 33;
 - (c) Signing of the contract as provided in **ITB** Clause 32; and
 - (d) Approval by higher authority, if required.
- 31.4 At the time of contract award, the Procuring Entity shall not increase or decrease the quantity of goods originally specified in Section VI. Technical Specifications.

32. Signing of the Contract

- 32.1 At the same time as the Procuring Entity notifies the successful Bidder that its bid has been accepted, the Procuring Entity shall send the Contract Form to the Bidder, which contract has been provided in the Bidding Documents, incorporating therein all agreements between the parties.
- 32.2 Within ten (10) calendar days from receipt of the Notice of Award, the successful Bidder shall post the required performance security and sign and date the contract and return it to the Procuring Entity.
- 32.3 The Procuring Entity shall enter into contract with the successful Bidder within the same ten (10) calendar day period provided that all the documentary requirements are complied with.
- 32.4 The following documents shall form part of the contract:
 - (a) Contract Agreement;
 - (b) Bidding Documents;

- (c) Winning bidder's bid, including the Technical and Financial Proposals, and all other documents/statements submitted;
- (d) Performance Security;
- (e) Credit line in accordance with **ITB** Clause 5.5, if applicable;
- (f) Notice of Award of Contract; and
- (g) Other contract documents that may be required by existing laws and/or specified in the **BDS**.

33. Performance Security

33.1 To guarantee the faithful performance by the winning Bidder of its obligations under the contract, it shall post a performance security within a maximum period of ten (10) calendar days from the receipt of the Notice of Award from the Procuring Entity and in no case later than the signing of the contract.

33.2 The performance security shall be denominated in Philippine peso and posted in favor of the Procuring Entity in an amount equal to the percentage of the total contract price in accordance with the following schedule:

Form of Performance Security	Amount of Performance Security (Equal to Percentage of the Total Contract Price)
(a) Cash or cashier's/manager's check issued by a Universal or Commercial Bank.	Five percent (5%)
(b) Bank draft/guarantee or irrevocable letter of credit issued by a Universal or Commercial Bank: Provided, however, that it shall be confirmed or authenticated by a Universal or Commercial Bank, if issued by a foreign bank.

(d) Any combination of the foregoing.	Proportionate to share of form with respect to total amount of security

33.3 Failure of the successful Bidder to comply with the above-mentioned requirement shall constitute sufficient ground for the annulment of the award and forfeiture of the bid security, in which event the Procuring Entity shall initiate and complete the post qualification of the second Lowest Calculated Bid. The procedure shall be repeated until the LCRB is identified and selected for contract award. However if no Bidder passed post-qualification, the BAC shall declare the bidding a failure and conduct a re-bidding with re-advertisement.

34. Notice to Proceed

34.1 Within three (3) calendar days from the date of approval of the contract by the appropriate government approving authority, the Procuring Entity shall issue its Notice to Proceed to the Bidder.

34.2 The contract effectivity date shall be provided in the Notice to Proceed by the Procuring Entity, which date shall not be later than seven (7) calendar days from the issuance of the Notice to Proceed.

- 23.1 The Procuring Entity shall terminate this Contract for default when any of the following conditions attends its implementation:
- 23.1.1 Outside of *force majeure*, the Supplier fails to deliver or perform any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the Procuring Entity pursuant to a request made by the Supplier prior to the delay, and such failure amounts to at least ten percent (10%) of the contract price;

23.1.2 As a result of *force majeure*, the Supplier is unable to deliver or perform any or all of the Goods, amounting to at least ten percent (10%) of the contract price, for a period of not less than sixty (60) calendar days after receipt of the notice from the Procuring Entity stating that the circumstance of force majeure is deemed to have ceased; or

23.1.3 The Supplier fails to perform any other obligation under the Contract.

23.2 In the event the Procuring Entity terminates this Contract in whole or in part, for any of the reasons provided under **GCC** Clauses 23 to 26, the Procuring Entity may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Procuring Entity for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of this Contract to the extent not terminated.

23.3 In case the delay in the delivery of the Goods and/or performance of the Services exceeds a time duration equivalent to ten percent (10%) of the specified contract time plus any time extension duly granted to the Supplier, the Procuring Entity may terminate this Contract, forfeit the Supplier's performance security and award the same to a qualified Supplier.

24 Termination for Insolvency

The Procuring Entity shall terminate this Contract if the Supplier is declared bankrupt or insolvent as determined with finality by a court of competent jurisdiction. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Procuring Entity and/or the Supplier.

25 Termination for Convenience

25.1 The Procuring Entity may terminate this Contract, in whole or in part, at any time for its convenience. The Head of the Procuring Entity may terminate a contract for the convenience of the Government if he has determined the existence of conditions that make Project Implementation economically, financially or technically impractical and/or unnecessary, such as, but not limited to, fortuitous event(s) or changes in law and national government policies.

25.2 The Goods that have been delivered and/or performed or are ready for delivery or performance within thirty (30) calendar days after the Supplier's receipt of Notice to Terminate shall be accepted by the Procuring Entity at the contract terms and prices. For Goods not yet performed and/or ready for delivery, the Procuring Entity may elect:

25.2.1 to have any portion delivered and/or performed and paid at the contract terms and prices; and/or

25.2.2 to cancel the remainder and pay to the Supplier an agreed amount for partially completed and/or performed goods and for materials and parts previously procured by the Supplier.

25.3 If the Supplier suffers loss in its initial performance of the terminated contract, such as purchase of raw materials for goods specially manufactured for the Procuring Entity which cannot be sold in open market, it shall be allowed to recover partially from this Contract, on a *quantum meruit* basis. Before recovery may be made, the fact of loss must be established under oath by the Supplier to the satisfaction of the Procuring Entity before recovery may be made.

26 Termination for Unlawful Acts

26.1 The Procuring Entity may terminate this Contract in case it is determined *prima facie* that the Supplier has engaged, before or during the implementation of this Contract, in unlawful deeds and behaviors relative to contract acquisition and implementation. Unlawful acts include, but are not limited to, the following:

26.1.1 Corrupt, fraudulent, and coercive practices as defined in **ITB** Clause 3.1(a);

26.1.4 Any other act analogous to the foregoing.

27 Procedures for Termination of Contracts

27.1 The following provisions shall govern the procedures for termination of this Contract:

27.1.1 Upon receipt of a written report of acts or causes which may constitute ground(s) for termination as aforementioned, or upon its own initiative, the Implementing Unit shall, within a period of seven (7) calendar days, verify the existence of such ground(s) and cause the execution of a Verified Report, with all relevant evidence attached;

27.1.2 Upon recommendation by the Implementing Unit, the Head of the Procuring Entity shall terminate this Contract only by a written notice to the Supplier conveying the termination of this Contract. The notice shall state:

27.1.2.1 that this Contract is being terminated for any of the ground(s) afore-mentioned, and a statement of the acts that constitute the ground(s) constituting the same;

27.1.2.2 the extent of termination, whether in whole or in part;

27.1.2.3 an instruction to the Supplier to show cause as to why this Contract should not be terminated; and

27.1.2.4 special instructions of the Procuring Entity, if any.

- 27.1.3 The Notice to Terminate shall be accompanied by a copy of the Verified Report;
- 27.1.4 Within a period of seven (7) calendar days from receipt of the Notice of Termination, the Supplier shall submit to the Head of the Procuring Entity a verified position paper stating why this Contract should not be terminated. If the Supplier fails to show cause after the lapse of the seven (7) day period, either by inaction or by default, the Head of the Procuring Entity shall issue an order terminating this Contract;
- 27.1.5 The Procuring Entity may, at any time before receipt of the Supplier's verified position paper described in item (d) above withdraw the Notice to Terminate if it is determined that certain items or works subject of the notice had been completed, delivered, or performed before the Supplier's receipt of the notice;
- 27.1.6 Within a non-extendible period of ten (10) calendar days from receipt of the verified position paper, the Head of the Procuring Entity shall decide whether or not to terminate this Contract. It shall serve a written notice to the Supplier of its decision and, unless otherwise provided, this Contract is deemed terminated from receipt of the Supplier of the notice of decision. The termination shall only be based on the ground(s) stated in the Notice to Terminate;
- 27.1.7 The Head of the Procuring Entity may create a Contract Termination Review Committee (CTRC) to assist him in the discharge of this function. All decisions recommended by the CTRC shall be subject to the approval of the Head of the Procuring Entity; and
- 27.1.8 The Supplier must serve a written notice to the Procuring Entity of its intention to terminate the contract at least thirty (30) calendar days before its intended termination. The Contract is deemed terminated if it is not resumed in thirty (30) calendar days after the receipt of such notice by the Procuring Entity.

28 Assignment of Rights

The Supplier shall not assign his rights or obligations under this Contract, in whole or in part, except with the Procuring Entity's prior written consent.

29 Contract Amendment

Subject to applicable laws, no variation in or modification of the terms of this Contract shall be made except by written amendment signed by the parties.

1. INSURANCE COVER

A. DIRECTORS AND OFFICERS LIABILITY

The *insurer* shall pay the *loss* of each *insured* resulting from any *claim* first made against the *insured* during the *policy period* for any *act/s* covered in the *Insured's* capacity as a *director or officer* of the *agency* except for and to the extent that the *agency* has indemnified the *insured*.

The insurer shall hold safe and harmless any insured, who is sued, made party to or otherwise involved in any action, suit or proceeding filed against the insured by reason of his /her being a director/officer of the agency, to the extent that the insured is sued for acts committed while in the performance of his/her official functions, duties and responsibilities as such director/officer, Provided, the insured charged or sued must be exonerated, acquitted or held not liable. B. CORPORATE REIMBURSEMENT

The *insurer* shall pay the *loss* of the *agency* resulting from any *claim* first made against the *insured* during the *policy period* for any *act/s* covered in the *insured's* capacity as a *director or officer* but only when and to the extent that the *agency* has indemnified the *insured* for the *loss*.

Subject to the terms and conditions of this policy, the ***insurer may advance defense costs*** to the ***director or officer or agency resulting from any claim*** before its final resolution, subject to the deductible stated in Item 8 of the Schedule.

Should there be a finding that the act done does not fall within the meaning of *act/s* covered as defined in 2.17 of this policy, the amounts advanced by the insurer shall be considered a loan by the *director or officer or agency* which shall become immediately due and payable to the *insurer* upon finality of the judgment against the *insured*.

2. DEFINITIONS

2.1 **Agency** means the *policyholder* specified in Item 1 of the Schedule

The pending and prior litigation *continuity date* shall be the date from which the *policyholder* has maintained uninterrupted cover with the *insurer*, or with any other *insurer* if the initial proposal form submitted to such *insurer* is provided to and accepted by the *insurer* at the inception of this policy, or such other date(s) as agreed with the *insurer*.
- 2.4 **Defense costs** means reasonable and necessary fees, costs and expenses incurred with the written consent of the *insurer* resulting solely from the investigation, adjustment, defense and appeal of any claim but shall not include the salary of any *insured* and success fees.

3. EXCLUSIONS

The insurer shall not be liable to make any payment for loss in connection with any claim made against the insured:

- (i) *Where the court or tribunal or administrative agency finds that there was malfeasance, misfeasance, nonfeasance, any form of negligence or bad faith, illegal, dishonest, fraudulent, unethical conduct or any other act that constitutes a breach of duty as fiduciary of the State, involved in the conduct of his/her office on the part of the insured concerned.*
- (ii) *Where the transaction involved is purely private and unconnected with the office of the insured.*

The insurer shall not be liable to make any payment for loss in connection with any claim made against the insured:

- 3.1 arising out of, based upon or attributable to:

- (i) the gaining in fact of any personal profit or advantage to which the *insured* was not legally entitled;
- (ii) the committing in fact of any dishonest or fraudulent act.

For the purpose of determining the applicability of these exclusions, the *act/s covered* of any *insured* shall not be imputed to any other *insured*. - 3.2 arising out of, based upon or attributable to the facts alleged or to the same or related *act/s covered* alleged or contained in any *claim* which has been reported or in any circumstances of which notice has been given under any policy of which this policy is a renewal or replacement or which it may succeed in time;
- 3.3 arising out of, based upon or attributable to any pending or prior litigation as of the pending and prior litigation *continuity date* specified in Item 7 of the Schedule, or alleging or deriving from the same or essentially the same facts as alleged in the pending or prior litigation;

 - (iii) any *claim* brought or maintained by any former *director, officer* or employee of the *agency*.
- 3.5 arising out of, based upon or attributable to or in any way involving, directly or indirectly, the actual, alleged or threatened discharge, dispersal, release or escape of *pollutants*; or any direction or request to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize *pollutants*, nuclear material or nuclear waste.

Provided, however, that this exclusion shall not apply to any *claim* made against the *insured* by any stakeholder of the *agency* either directly or derivatively, alleging damage to the *agency* or its stakeholders, unless on or before the pollution continuity date specified in Item 7 of the Schedule, the *agency*, the *insured* or any employee of the *agency* with managerial responsibilities over environmental affairs, control or compliance, knew or could have reasonably foreseen that there existed any situation, circumstances or condition which could have given rise to a *claim* against the *agency*, or the *insured*.

This exclusion is subject to Extension 4.4, unless on or before the pollution *continuity date* specified in Item 7 of the Schedule, the *agency*, the *insured* or any employee of the *agency* with managerial responsibilities over environmental affairs, control or compliance, knew or could have reasonably foreseen that there existed any situation, circumstance or condition which could have given rise to a *claim* against the *agency*, or the *insured*.

- 3.6 arising out of, based upon or attributable to any act or omission in the *insured's* capacity as a *director* or *officer* of any entity other than the *agency*, or by reason of the *insured's* status as a *director*, *officer* or employee of the other entity;
- 3.7 for bodily injury, sickness, disease, death or emotional distress of any person, or damage to or destruction of any tangible property, including *loss* of use thereof; provided, however, that any *claim* for emotional distress shall not be excluded with respect to an employment practice *claim*.

- (i) provided the *agency* cannot renew or replace this policy with or does not purchase, effect or otherwise acquire, any other policy affording *directors* and *officers* liability or similar liability cover; and
- (ii) upon payment of an additional premium of 100% of the full annual premium.

If a *transaction* takes place, then the *agency* shall not have the right to a *discovery period* as set out above. However, the *agency* shall have the right within 60 days of the end of the policy period to request an offer from the *insurer* of a *discovery period* of up to 12 months. The *insurer* shall offer a *discovery period* with terms, conditions and premium as the *insurer* may reasonably decide.

No *discovery period* of any length is available in the event of this policy being cancelled due to the non-payment of premium.

4.2 *Heirs, Estates and Legal Representatives*

If an *insured* dies, becomes incompetent, insolvent or bankrupt, this policy shall cover *loss* arising from any *claim* made against the estate, heirs, or legal representatives of the insured for any *act/s covered* of such *insured*.

4.3 Joint Property Liability

This policy shall cover *loss* arising from any *claim* made against the lawful spouse (whether that status is derived by reason of the statutory law, common law or otherwise of any applicable jurisdiction in the world) of an *insured* for any *claim* arising out of his or her status as the spouse of an *insured* including any *claim* that seeks damages recoverable from marital community property or property jointly held by the *insured* and the spouse; provided, however, that this extension shall not afford cover for any *claim* for any *act/s covered* of the spouse and that this policy shall apply only to *act/s covered* of an *insured*.

4.4 Pollution Legal Costs

Notwithstanding Exclusion 3.5, the *insurer* will pay on behalf of an *insured* any *defense costs* incurred in defending a *claim* by reason of any *act/s covered* resulting in *loss* arising out of the discharge, dispersal, release or escape of *pollutants*. However, the total of all payments under this extension shall not exceed Philippine Peso 10,000,000.00 or the limit of liability whichever is lower.

5. GENERAL PROVISIONS

5.1 Representation

In granting cover to any one *insured*, the *insurer* has relied upon the proposal form, and all statements and particulars therein or incorporated therein, together with any attachment, the agency's financial statements and other information supplied or requested (if, this policy is a renewal of a previous policy(ies) issued by the *insurer*, then, regarding this policy, the insurer is also relying upon all applications, attachments, etc. for such previous policy(ies) issued by the *insurer*). 5.4 Retention

The *insurer* shall only be liable for the amount of *loss* arising from a *claim* which is in excess of the retention amount/deductible specified in Item 8 of the Schedule with regard to all *loss* under all insurance covers under this policy for which the *agency* has indemnified or is permitted or required to indemnify the *insured*. It is agreed that the *agency* will be conclusively deemed to have indemnified the *insured* to the maximum extent that the *agency* is permitted or required to grant such indemnification pursuant to law or contract, or by the charter or by-laws or the Articles of Incorporation of the *agency*.

The retention amount/deductible is to be borne by the *agency* and shall remain uninsured. A single retention amount shall apply to *loss* arising from all *claims* alleging a *single act covered*.

or
 - b. within 30 days after the end of the *policy period* or the *discovery period*, as long as such *claim(s)* is reported no later than 30 days after the date such *claim* was first made against an *insured*.

- (iii) *If, during the policy period or during the discovery period written notice of a claim against an insured has been given to the insurer pursuant to the terms and conditions of this policy, then any claim arising out of, based upon or attributable to the facts alleged in the claim previously notified to the insurer or alleging a single act covered, which is the same as or related to any act/s covered alleged in the previously notified claim, shall be considered made against the insured and reported to the insurer at the time the first notice was given.*
- (iv) *If during the policy period or during the discovery period, the agency or the insured shall become aware of any circumstances which may reasonably be expected to give rise to a claim being made against an insured and shall give written notice to the insurer of the circumstances and the reason for anticipating a claim, with full particulars as to dates and persons involved, then any claim which is subsequently made against an insured and reported to the insurer arising out of, based upon or attributable to the circumstances or alleging any act/s covered which is the same as or related to any act/s covered alleged or contained in those circumstances, shall be considered made against the insured and reported to the insurer at the time the notice of the circumstances was first given.*

5.6 Advancement of Costs

The *insurer* shall advance to the *insured* or the *agency* defense costs under all insurance covers under this policy before the final disposition of the *claim*. The advance payments by the *insurer* shall be repaid in full to the *insurer* by the *insured* or the *agency*, in the event and to the extent that the *insured* or the *agency* shall not be entitled to payment of the *loss* under the terms and conditions of this policy.

5.7 How Defense Will Be Conducted

The *insured* shall have the right and duty to defend and contest any *claim*. The *insurer* shall have the right to effectively associate with the *insured* and the *agency* in the defense and settlement of any *claim* that appears reasonably likely to involve the *insurer*, including but not limited to effectively associating in the negotiation of any settlement.

The *insured* shall not admit or assume any liability, enter into any settlement agreement, stipulate to any judgment or incur any *defense costs* without the prior written consent of the *insurer* as a condition precedent to the *insurer's* liability for *loss* arising out of the *claim*. Only those settlements, stipulated judgment and *defense costs* which have been consented to by the *insurer* shall be recoverable as *loss* under the terms of this policy. The *insurer's* consent shall not be unreasonably withheld, provided that the *insurer* shall be entitled to effectively associate in the defense and the negotiation of any settlement of any *claim* in order to reach a decision as to reasonableness.

The *insurer* may make any settlement of any *claim* it deems expedient with respect to any *insured* subject to such *insured's* written consent. If any *insured* withholds consent to such settlement, the *insurer's* liability for all *loss* on account of such *claim* shall not exceed the amount for which the *insurer* could have settled such *claim* plus *defense costs* incurred as of the date such settlement was proposed in writing by the *insurer*.

The *agency* and the *insured* shall give the *insurer* full co-operation and all information as it may reasonably require as a condition precedent to the *insurer's* liability for *loss* arising out of the *claim*. In the event that a dispute arises between the *insurer* and the *insured* regarding whether or not to contest any legal proceedings, neither the *insured* nor the *agency* shall be required to contest any legal proceedings unless a Government Corporate Counsel or equivalent (to be mutually agreed by the *policyholder* and the *insurer*) shall advise that the proceedings should be contested. The cost of the Government Corporate Counsel shall be borne by the *insurer*.

5.8 Allocation

- (I) The *insurer* has no obligation under this policy for *defense costs* incurred by the *agency*, or any judgment rendered against or settlements by the *agency*, or any obligation to pay *loss* arising out of any legal liability that the *agency* has to the third party claimant. Accordingly, with respect to:
- a. *defense costs* jointly incurred by;
 - b. any joint settlement made by; and/or
 - c. any adjudicated judgment of joint and several liability rendered against the *agency* and any *insured*,

the *agency*, the *insured* and the *insurer* agree to use their best efforts to determine a fair and proper allocation of the amounts as between the *agency* and the *insured* and the *insurer*, taking into account the relative legal and financial exposures of and the relative benefits obtained by the *insured* and the *agency*.

- (II) In the event that a determination as to the amount of *defense costs* to be advanced to the *agency* under this policy cannot be agreed to, then the *insurer* shall advance *defense costs* which the *insurer* states to be fair and proper until a different amount shall be agreed upon or determined pursuant to the provisions of this policy and applicable law.

5.9 Subrogation

In the event of any payment under this policy, the *insurer* shall be subrogated to the extent of such payment to all of the *agency's* and the *insured's* rights of recovery in respect of the payment, and the *agency* and the *insured* shall execute all papers required and shall do everything that may be necessary to secure any rights including the execution of any documents necessary to enable the *insurer* effectively to bring suit in the name of the *agency* and/or *insured*.

5.10 Other Insurance

Unless otherwise required by law, any insurance as is provided under this policy shall apply only as excess over any other valid and collectible insurance.

5.11 Notice and Authority

It is agreed that the *agency* shall act on behalf of all *insureds* with respect to the giving and receiving of notice under this policy, including the giving of notice of *claim*, the payment of premiums that may become due under this policy, the receipt and acceptance of any endorsements issued to form a part of this policy and the exercising or declining to exercise any right to a *discovery period*.

5.12 Assignment

This policy and any rights hereunder cannot be assigned without the written consent of the *insurer*.

5.13 Jurisdiction and Governing Law

Any interpretation of this policy relating to its construction, validity or operation shall be made in accordance with the laws of the Philippines. The parties agree to submit to the exclusive jurisdiction of the court of general jurisdiction in the Philippines.

5.14 Plurals and Titles

The titles of these paragraph are for convenience only and do not lend any meaning to this contract. In this policy words in italics have special meaning and are defined.

5.15 Terms of Policy Conformed to Ordinances

Terms of this policy which are in conflict with the statutes of the Philippines are hereby amended to conform to such statutes or ordinances.

Any provisions of this policy which is prohibited or unenforceable, shall be ineffective to the extent of such prohibition or unenforceability, but that shall not invalidate the remaining provisions of this policy.

The *insurer* shall not avoid this policy by reason only that it may be so entitled by virtue of any statute or rule of law that makes or deems void any provision or contract to indemnify or make payment to any *insured* of the *agency* against liability for any *act/s covered*.

5.16 Data Privacy

It is hereby declared that as a condition precedent to the liability of the *insurer*, the *insured* has agreed that any personal information collected or held by the *insurer* is provided and may be held, used and disclosed by the *insured* to individual/organizations associated with the *insurer* or any selected third party (within or outside the country where the *insured* is domiciled) for the purposes of processing the application and providing subsequent services to the *insured* for such purposes. The *insured* has the right to obtain access to and to request correction of any personal information held by the *insurer* concerning the *insured*.

5.17 Renewal Clause

Unless the *insurer* at least forty-five (45) days in advance of the end of the policy period mails or delivers to the named *insured* at the address shown in the policy notice of its intention not to renew the policy or to condition its renewal upon reduction of its limits or elimination of coverage, the named *insured* shall be entitled to renew the policy upon payment of the premium due on the effective date of the renewal. Any policy written for a term of less than one year shall be considered as if written for a term of one year. Any policy written for a term longer than one year or any policy with no fixed expiration date shall be considered as if written for successive policy periods or terms of one year.

5.18 Cancellation

This policy shall not be cancelled by the *insurer* except upon prior notice thereof to the *insured*, and no notice of cancellation shall be effective unless it is based on the occurrence, after effective date of the policy, of one or more of the following:

- (a) non-payment of premium;
- (b) conviction of a crime arising out of acts increasing the hazard insured against;
- (c) discovery of fraud or material misrepresentation;
- (d) discovery of willful or reckless acts or omissions increasing the hazard insured against;
- (e) a determination by the Insurance Commissioner that the continuation of the policy would violate or would place the *insurer* in violation of the Insurance Code.

All notices of cancellation shall be in writing, mailed or delivered to the *insured* at the address shown in the policy, and shall state (a) which of the grounds set forth in this provisions is relied upon and (b) that, upon written request of the *insured*, the *insurer* will furnish the facts on which the cancellation is based.

If the *insured* cancels this policy, which must be in writing, earned premium shall be computed in accordance with the applicable percentage indicated under the following Short Rate Cancellation Table.

5 days or less	- 6%	Up to 4 months	- 50%
Up to 10 days	- 10%	Up to 5 months	- 60%
Up to 15 days	- 13%	Up to 6 months	- 70%
Up to 20 days	- 17%	Up to 7 months	- 75%
Up to 1 month	- 20%	Up to 8 months	- 80%
Up to 2 months	- 30%	Up to 9 months	- 90%
Up to 3 months	- 40%	above 9 months	- The annual rate

Delivery of such written notice either by the *insured* or by the *insurer* shall be equivalent to mailing. If the *insurer* cancels, earned premium shall be computed pro-rata. Premium adjustment may be made at the time cancellation is effected and, if not then made, shall be made as soon as practicable after cancellation becomes effective. The *insurer's* check or the check of its representative mailed or delivered as aforesaid shall be a sufficient tender of any refund of premium due to the *insured*. Reinstatement, if granted by the *insurer* after cancellation, shall be in writing.

5.19 Arbitration Clause

All differences as to amount of any *loss* covered by this policy shall be referred to the decision of an arbitrator to be appointed by the parties in difference or if they cannot agree upon a single arbitrator, to the decision of two arbitrators, one to be appointed in writing by each of the parties within thirty (30) days after having been required in writing to do so by either of the parties or in case of disagreement between the arbitrators, to the decision of an umpire to be appointed in writing by the arbitrators, before entering on the reference, and an award by the arbitrator or arbitrators or umpire shall be a condition precedent to any right of action against the *insurer* only in cases of differences as to the amount of liability arising out of this policy.

5.20 Action Against Insurer

If a *claim* be made and rejected and an action or suit be not commenced either in the Insurance Commission or any court of competent jurisdiction within twelve (12) months from receipt of notice of such rejection or in case of an arbitration taking place as provided herein, within twelve (12) months after due notice of the award made by the arbitrator or arbitrators or umpire, then the *claim* shall for all purposes be deemed to have been abandoned and shall not thereafter be recoverable hereunder.

Code of Corporate Governance Endorsement

In order to clarify the covered acts in this Policy, Sec. 32 of the Code of Corporate Governance for GOCCs shall form part of this policy, quoted as follows:

“Sec. 32. Obtaining of Directors and Officers Liability Insurance (DOLI) – Having imposed the highest level of responsibility and accountability on the members of the Board and Officers, i.e., that of extraordinary diligence, it is equitable that when the GOCC itself and/or the members of the Board and Management are hailed before the tribunals on matters that are within the official functions and capacity and on matters where business judgment has been exercised in good faith, that there be proper recovery of the costs of litigation and the judgment liability imposed. It is prudent measure therefore for every GOCC to obtain “Directors and Officers Liability Insurance” (DOLI) coverage for itself and the members of the Governing Board and Officers against contingent claims and liabilities that may arise from, as well as the expenses that may be incurred in prosecuting, the actions that may be filed against the GOCC arising from the actions of the Governing Board and/or Management that may cause loss or damage to third parties.

Nothing in this section shall be construed as to authorize the reimbursement or the incurring of costs, such as the payment of premiums on DOLI coverage, by the GOCC on the litigation expenses incurred and the judgment liability decreed against a Director or Officer for breach of any of his fiduciary duties or for fraud committed in the performance of his or her duties to the GOCC and/or its stakeholders.”
